**EARN Honors Realtor Linda Harrison for Commitment to Make a Difference
*Real Estate Auxiliary Raised Funds to Assist 55 Families Save for 1st Homes***

San Francisco, CA – January 3, 2008 – Helping break the cycle of poverty one family at a time, Linda Harrison, a prominent force in the Bay Area real estate community, was honored by the Real Estate Auxiliary of EARN for her dedication and fundraising efforts to help the San Francisco non-profit. EARN helps educate local low-wage workers how to plan their financial future, meet goals and save money to purchase a home, continue their education or start a small business. Harrison will serve on the leadership council of the EARN Real Estate Auxiliary in 2008.

At the recent EARN Welcome Home Breakfast celebrating the success of the first year of the Real Estate Auxiliary, nearly 150 Realtors, mortgage brokers and title company representatives attended to show their commitment to the group as they presented the first annual EARNie Awards – and silver, symbolic piggy banks – to leaders in the real estate field. Harrison was among the recipients for her involvement as a board member of the San Francisco Association of REALTORS® (SFAR). With Harrison's persistence, SFAR made a grant of \$25,000 to help EARN match the savings of local, hard-working, low-wage families to purchase homes. The funding will also help EARN champion public policies that open the door to homeownership for thousands more low-wage families.

“We are pleased to honor some of the most visionary members of San Francisco’s real estate community, for their commitment to creating economic opportunity for some of our city’s hardest working families,” said Ben Mangan, president and CEO of EARN. The Real Estate Auxiliary raised enough funds to help 55 families save for their first homes in 2007.

Harrison and partner Ellen Anderson are the dynamic real estate duo The Harrison Team of Pacific Union GMAC Real Estate, specializing in luxury properties and investments in the Bay Area and abroad. The Team is based at the firm’s Presidio office. Both Harrison and Anderson are skilled negotiators and talented deal closers, matching clients with the right properties and developing long-term investment strategies to build wealth and financial portfolios.

In addition to EARN, Harrison is serving a second term as president of the Board of Directors of Frameline as they prepare for the 32nd annual film festival in June. Frameline is the only nonprofit in the country dedicated to funding, exhibition, distribution and promotion of lesbian, gay, bisexual and transgender (LGBT) media arts. She also serves on the board of the California Association of REALTORS®, as the vice chairperson of Strategic Planning and Finance.

As a team, Harrison and Anderson are generous supporters of several film groups and Habitat for Humanity. They are involved members of the San Francisco Women's Council of REALTORS®, a network of successful REALTORS® empowering women to exercise their potential as entrepreneurs and industry leaders to effect positive change in the profession and in the broader community. Anderson is past president of the Council.
